extension of the card topic

Q: your opinions on fast food

A: In my opinion, fast food is not healthy so it is not suitable for us to eat so frequently, but fast food is convenient and it can save our time and money. Some foreign fast foods such as Mcdonalds and KFC are very attractive for children because they have the different taste from Chinese ones.(??) the environment is very clean and beautiful.sometimes (??) they send our children toys as presents.

Q: general ideas about fast food among Chinese.

A:Chinese fast food,sometimes,is dirty ???

Q: what do you think about science in food processing/production.

A:I am not an expert for nutrition. I think the science in food process would not destroy the nutrition factor and not add any harmful ingredients such as additive, coloring matter and at the same time, it is conducive to protect our environment.

Describe one sport that you like to play or watch most.

1. How do you begin to like it?
2. Why you like it?
3. How often do you play or watch it?
4. And explain why you prefer this sport to other sports?

A1: I like to go swimming the best, In my hometown there is a large pond. When I was a child, I began to learn how to swim in the pond. So I can swim very well, I like swimming very much. We can exercises every parts of our body by swimming. It can especially extend our vital capacities. In my high school days I

got a swimming champion. I had much confidence of swimming by getting this prize. In addition swimming is an individual sport. I can swim anytime if the public swimming pool is open. But as for other sports such as football, basketball are team sports, if I want to play those ,I must organize several people. Many people are very busy, it is very difficult for me to organize them. This is the main reason why I like swimming rather than other sports. I usually swim with my daughter in our city public swimming pool on every weekend.

A2: I like to watch NBA game. When I was in high school. I began to watch NBA. It is wonderful and all the players have comprehensive skills. It is usually blood-and-thunder. Sometimes in the last one second maybe a team defeats the another team and win the game instead of losing. I am sure you agree watching such games is really enjoyable. If there is a NBA game on TV, I can surely catch the game. No matter how late it is NBA players win the game by skills and cooperate privacy. We know each player is professional and has special skill.

A3: I like to play badminton. I began to play it about 20 years ago. In those days I was in high school, I usually played it with my classmates after school. I also played it at university. I play it with my daughter and my wife on weekends.
