Q: compare the different transportation, such as between plane, train, car. A: Generally speaking, planes are the safest traffic transportation. It is very fast, but the flight tickets are very expensive in China. If you have a long distance trip more than 800 kilometers, we should take planes. Trains are much cheaper than planes. If your destination is located near the train station and within 300 kilometers, you should take trains. They are more comfortable than planes. (??) of course, you take a plane or a train, you must catch plane or train by plane or train timetable. so the most convenient tool is car, you can travel anytime and anywhere you like.

Q: can u just image the transportation in the future and describe it for me? A: The transportations in the future will be much more useful, safer and (??) Maybe it runs on land, on water and on air

Q: just compare the transportation in the past and now. u like what transportation and why. A: In China, long long time ago, people used horse, cows, on foot. Then it has changed into bikes trains, Now we can travel by plane, train, bus, car, motorcycle. I personally like motorcycles, because they are very convenient.

music Q: describe the role music play in our life. A: I think music plays the important role of our life. It makes our life brighter. When we are happy, we want to listen to music for pleasure. When

we are blue, we can be encouraged by listening to music. It helps us to forget the sad things. It makes us feel comfortable.

Q: what effects will take place u think to let children study an instrument? A: I think some children like music and they are interested in learning instruments such as piano, violin, dulcimer, electronic organ and so on. If they have music talents, they can become musicians .But some children hate to learn music instruments. If they are forced to learn by parents, they will not be able to learn music and other subjects such as English, mathematics, Chinese.

Q: u like music or not? why? u think music play what role in ur life? A: I like music so so. When I was young, I did not learn any musical instruments, I liked reading books listening to music after work.

Q: describe the music u like most and tell me why? A: I like some Chinese classic music, and western symphony such as Spanish corrida music. I like rhythmical and strong music.
