national food upon people is significant? PART3:do u think the shopping mall has a important role in peoples life?what habit of people about going shopping?why do u think people like to shopping in the super market?结束时，我起身要走，他示意我等一下，他要检查是否录音清楚，等他核对完，我问：is it clear?He said:very clearly!then i went to the door,and sent him Merry Christmas!He said:Merry Christmas to u too!before i leave ,i turned around and said to him :have a good day!goodbye!以上是考试过程，希望可以过关！100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
