What is the most beautiful natural scenery you have ever seen? What is the specific point? Where did you see it? Who did you go with? Last year, I went to Shilin with my wife. Shilin, located about 80 kilometers from Kunming. Kunming is the capital city of Yunnan Province. It took us 3 days to get there. Shilin is famous for its large areas of stone forests. All stones in Shilin are vividly shaped, resembling various figures. Some stones look like a monkey, and some stones look like a bird. In a word, the stones are fantastic. Also, there is a lake in Shilin. Surrounded by green mountains and forests, the lake is not destroyed by any pollution. Travelers can row a boat on the lake or stroll on the shores to enjoy its special quiet beauty.

(1) What measures does your government take to protect natural scenery? The government establishes protective zones of natural scenery. Educate people to protect natural environment. People who destroy natural scenery will be punished.

(2) Do you think it is effective? Yes, of course. Establish protective zones can prevent pollution.

(3) What role does tourism play in your countrys economy? Tourism is playing a more and more important role in our countrys economy. Since the opening up, the number of tourists has increased quickly, and this is a useful source of foreign currency for the country. (159 Also, tourism can accelerate other industry to develop.)

(4) What should you pay attention to in travel? Safety, weather, and I think it is

necessary to bring some medicine. 100Test 下载频道开通，各类
