I suppose its somewhat like Christmas is in western countries. Spring Festival is the only time when all families gather together and stores and business are closed for several days. During the Spring Festival, we eat delicious food, visit relatives and friends, and watch TV to welcome the New Year. I also like to try and contact some friends before and see how they ' re doing and what they ' re up to. We give each other presents for the New Year. 100Test 下载频道开通，
