Attitude, to me, is more important than facts. It is more important than the past, than education, than money, than failures, than successes, than what other people think, say, or do. It is more important than appearance, giftedness, or skill. It will make or break a company, a church or a home. The remarkable thing is we have a choice every day regarding the attitude we will embrace for that day. We cannot change our past. We cannot change the fact that people will act in a certain way. We cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our attitude. I believe that life is 10% what happens to me and 90% how I react to it. And so it is with you. We are in charge of our attitudes. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
