多出几栏，其中一栏标题就是吓人的“MEMORISED WORDS”；另一个原因，恐怕要因此被你们嘲笑，就是我当时尾巴翘上天，以为已经到了无招胜有招的境界了，用宋丹丹的词汇说就是“相当”自信，可以信手拈来皆成文章，结果这一来，学GZ只学了个皮毛，成了邯郸学步，也就失去了我现在反思的认为最重要的文章的流畅感，正如我上面说的，我还没能按照九阴真经练到所谓返朴归真，直臻化境的地步。看到网上有人已经总结如何准备模板的经验，我就不多费话了。简言之，我认为一篇IELTS好文章，行文当注重：结构与内容，衔接与递进，词汇与语法。大家就自己体会这三者的含义吧，在此基础上适当准备附合自己行文特点的模板，也就是别楞穿裤头配西装打领带的意思，那样对考试的贡献还是很大的。我这里为大家附上1月21日G类TASK2我写的6分文章吧，还有一篇我考前写的IELTS老师批改过的文章，部分应用了那本英国人写的词汇自测书上的内容，自认为且批改老师也认为是7分以上的水平，另外还有我整理的部分笔记，有一些错误我当时未予修改，供大家参考，建议大家平常准备就养成记笔记的习惯并能在练习作文时灵活应用。别忘了我们小时常听大人们说的一句教导：熟记唐诗三百首，不会作诗也会吟。2006年1月21日G类TASK 2 People now think that spending a lot of money is a waste of money. But others believe that these parties are important to the individuals and society. Discuss both views and give your own opinions. While the social and economic developments are significantly achieved, people get paid much more than ever before. As a result, they would like to spend a lot of money on their wedding or birthday ceremonies. What can we

think about such a social phenomena? Opponents claim that it is explicitly to not only squander money, but these expensive events would also give rise to negative impact on the community. As a developing country, we still need to rely on a kind of cost-effective lifestyle. In addition, these ceremonies would adversely affect the others in society. However, advocates who are in favour of these parties maintain an opposite notion that people have no right to argue against it. Furthermore, it could be of great importance to both the individuals and society. To illustrate this, they take communication between people as an example. It is self-evident that inviting people getting together would provide them with a rare chance to talk with each other, which now is difficult for people in such a rapidly changing world. In summary, it is not effortless to classify which kind of these parties people would be better to hold. In my opinion, keeping freedom and democracy is the most important. If you are wealthy enough, nobody has the right to say anything on your wedding or birthday parties.

只想起来这么多，PARA2好象还有两句论证句，与PARA3差不多长，实在想不起来了，总字数大约超过250字了。我错在TASK1花多时间了，写了快200字（20分钟）。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
