头) 题目: Dear Sir, My name is *****. My candidate number is *****. I took part in the IELTS test(Academic) on *****in ***** , China for the purpose of going to Australia to continue my studies. I am writing to apply for a reassessment of my test results. As a pre-requisite for the course that I would like to study, I need to reach at least level 6 in my IELTS test in all four components. However, my writing is only at level 5. I have been studying a Preparation for IELTS course for one year with foreign teachers and I think that my English writing should have reached at least level 6. It would be inconvenient for me to have to wait another two months to sit my exam again as my course begins in February 2003. Therefore, I would like my writing to be remarked. Enclosed are my original test results and payment for this application. Any help from you will be appreciated. Regards. 这是我的外教替我写的,我觉得可能对大家有点用,所以拿出来和大家一起分享!!! ----- 来源:
