What is the age of the child do you think parents should not take the responsibility?913 people graduate from the university and earn a lot of money. So they should pay the full cost. To what extent do you agree or disagree?913 the young generation is important for the world, although the government has ignored some problems they are facing. Could you please list several problems, and provide some solutions? 920 0110 in many countries, women join the army as men do. However, some people argue that the army solely need males. Discuss those two views. 1011 some people who have been successful in the society don't attribute their success to the theoretical knowledge they learned from their university. Do you agree or disagree?1018 1025 0403 increasing travels between countries can enable people to learn different cultures, but others believe that it could increase tension between people from different countries. What is your opinion?1101 The government should control the amount of violence in films and on television in order to decrease the violent crimes in society. To what extent do you agree or disagree with this issue?1115 computers don't help children learn more effectively. On the contrary, the use of computers has a negative effect on children's physical and mental development. To what extent do you agree or disagree?1122 0131 In the modern world,

children can stay at home and use the Internet which has information widely available for children. So they don't need to go to school. To what extent do you agree or disagree? 1206 0327 The gap between countries has become less and less obvious. People from different countries can watch the same movie, share the same fashion, and watch the same advertisement and TV programs. To what extent do you think the disadvantages outweigh advantages? 1213 some people think we should spend money and time on protection of wild animals while others think this money should be spent on human population, to what extent do you agree or disagree? 1220 0221 some people think educating children of different abilities together will benefit them. Others think intelligent children should be taught separately and be arranged with special courses, discuss both sides. 0117 Parents think that the university education can prepare their children for employment opportunities, but others believe that universities have some more functions. What other functions do you think can a university perform? 0214 Today, people are getting greedy and selfish. Some people argue that we should attempt to go back to the older day, and show respect for the family and community. So we can make the world better to live. To what extent do you agree or disagree? 0228 The environmental problem is so serious to most countries and individuals that to solve it is at the international level. Do you agree or disagree? 0313 motorised flight is the most important invention in the modern world. Not any other invention has such a significant impact on our lives. To what extent do you agree or disagree? 0320 Police in Britain do not carry guns.

Some people believe that it will make citizens unprotected, but some suggest that it would reduce the violence in society. Discuss those two views. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
