- 1.科技影响
There are social, medical problems associated with the use of mobile phone. What form do they take? Do you agree that the problems outweigh the benefits of the mobile phone? 手机在人们生活的若干方面都产生了一定的利弊影响。你认为呢？
In recent years, working at home for one's employers has become a growing trend in many countries and is expected to be common for most office workers in the coming decades. Discuss the reasons why it is popular and state your opinion about the social phenomenon.
- 2.文化传统
What can the arts tell us of the life that science cannot? 当

今世界，科技发达，但是人们还是对艺术家给予很大的评价，科技是不能代替艺术的。 Some people consider that history is of little or no use to us. Others believe that studying history helps us to know the present. Discuss these views and give your own opinion.

3. 环保 针对当前全球的环境问题，提高燃料的价格是一个解决办法。你同意不同意。 some think the best way to solve the world ' s environment problem is increase the cost of fuel. Long distance flight uses more fuel than car and brings pollution to the environment. We should discourage non-essential flight rather than limit the use of car. To what extent do you agree or disagree?

4. 教育类 Some people think that teachers should be responsible for teaching students how to judge right and wrong and how to behave well. Some say that teachers should only teach students about academic subjects. Discuss both views and give your opinion.

5. 其他 Some people say the government should not put money on arts such as music and painting. Instead, they should spend more money on construction of public facilities. What is your opinion? People think that news media have influenced people ' s lives nowadays. It is therefore a negative development. To what extent do you agree or disagree? Some people think the government should pay for health care and education, others think that the government has not such responsibility. Discuss both views and give your opinion.
