What are the purposes of the places like museums, and how should they be funded? 下面我用同样的思路但用复杂一些的表达方式来写一篇高分作文。-----discussion-----295words in total-----

Introduction (44 words) It is well known that a museum is a building to display a collection of artistic,

historical,cultural or military objects. Undoubtedly museums can have a variety of purposes in the city. I think two roles the museums play can illustrate they are worth visiting.

Body1 (89 words) Visiting museums is informative. (topic sentence) Once I visited a military museum in Beijing,China, soon I learned that an ancient warrior might have outfought his enemies in combat if he had had great strength while a modern soldier should be armed with sophisticated weapons. Therefore present soldiers should spend far much time on studying modern technology instead of building up muscles.

Likewise, If you visit other museums, you will have a better perception on a certain field, because you can witness some genuine objects which cannot be seen on books.

Body2 (65words) In addition, a museum can function to cultivate ones sense of patriotism.(topic sentence) In china, schools often organize trips to

some historical museums. When the students learn that many years ago, a number of countries invaded China robbing treasure and killing Chinese civilians, promptly they will establish a strong sense to defend the nation, revealing that only a strong motherland can give them pride and safety. Body3 (74words) Now we talk about how to fund a museum. A museum can never be considered as a financial burden to society. I suggest that the Government should invest a small amount of money on advertisements for the museums in the city. For example, ads of the museums should be forwarded on the travel brochures or maps of the city. Consequently tourists come and admission tickets are collected. Both reputation and funds are earned. Conclusion (23 words) In brief, museums should play a role as an instructive means of the city and incomes from admission can keep them running properly. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
