Is it good to live in a large modern city? Arguments

1. Most people love cities and many are flocking there from the country.
2. Modern man is too sophisticated for simple country pleasures.
3. It is enough to visit the countryside at weekends.
4. Commuting does not really affect those who live in cities. it is only a small inconvenience.
5. People easily adapt themselves to city life. noise and traffic are hardly noticeable.
6. There are many reasons why city life is preferable: there are more places for entertainment, etc.
7. There are better schools and services in big cities.
8. There are more chances of employment. The range of jobs is greater and the pay is higher.
9. There is more opportunity to succeed in life.
10. The educational level is higher. it is a better place for children.

Counter-arguments

1. Large modern cities are too big to control.
2. Commuting stretches mans resources to the utmost.
3. Cit123wellers adopt a wholly unnatural way of life. They lose touch with the land and the rhythm of nature. They are barely conscious of seasons. Flowers, leaves, the changes of season become irrelevant in their lives.
4. Rents are high. buying a house is impossible for average people.
5. Cities breed crime and violence. houses are often burgled.
6. Tension in big cities shortens peoples lives.
7. People lose too much time in getting to work.
8. In big cities there are not enough public toilets.
9. Pollution in big cities is becoming more and more serious.
10. City people are not as warm-hearted and friendly as

country people. 100Test 下载频道开通，各类考试题目直接下载。
