Tel: (812) 345-46-70 Dear Sir, I am writing to you to apply for a big tree located just near my house. This tree really troubles me. The fact is that the tree stands in suns light and because of that a close-fitting room is too dark and gloomy. Also I must tell you we use that room as a nursery. Our son is only two months old and is still weak. As to me, I am his mother and I must be sure that I do my best to take care of him. But the tree doesnt let my son to receive enough sunlight and I am pushed to ask you to solve this problem. I would welcome the sooner opportunity to meet with you to discuss the subject. I hope the tree has to be out. To tell the truth the tree is quite old and can fall down any time and I cant imagine that crash may happen. While I am waiting for your decision, I hope that I am allowed to put away branches which directly cover the window. If I

am allowed to do it, just call me as soon as possible and tell about it. Addly, I want to know how much the cutting of the tree may cost and who must pay it. And which part of the payment our family has to pay. Also, I am interesting in possible discounts. I will appreciate your prompt reply. Yours faithfully, mrs.
