Part 1 : name ,Where do you come from? Do you like shenzhen? Why?Do you like big city or small city? Why? Do you read newspaper? How often? do you like travel?how often? travel by what? Part 2: discribe what you learned from another culture - what? why? Part 3: how do you know culture of other countries? do you ever go aboard? do you think whether one can learn language or culture better in case one have interested in? do you think newspaper will be less important than now? why? how do you think of internet? do you think media will give us faulse information? do you like people visit your home? why? do you have a plan to go aboard? do you like to learn culture in other countries? what country do you know best? how?似乎很多问题，但确实没很大难度。我觉得出国前一定要尽量练好口语，否则延长找工作的时间啊！！！！考试前真的几乎没练，两个星期主要准备听力和阅读，现在考完了，没有应考的压力，反而可以好好练练。100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
