！S1-3绝了，都是选择题。S4是填空，难极了！我什么也没听到。要告诉大家的是要考好听力，前一天睡好很重要，我就是没睡好，所以听的一塌糊涂。觉得口语老师都很好，不怎么难，讲环境。不过隔壁有人说了饭店和饭店的服务，太难了。她运气比较差。作文是老题，关于动物的，他说很多人用动物做实验，好还是不好？听力是 V34 2/2 北京等考过多次，S3-S4还算比较简单就是要认真S3的book allowance和insurance (no s) 要注意还有s4的隼(falcon)是候鸟都迁徙除了Australia而不是Antarctic哦 仔细听Multiple choice 多陷阱更多。阅读好像是 V361.Students opinions about the tropical rain forest.2.Development about the atlases.3.Invention about the Morse Code.写作 V821.1970/1990/prediction about 2010 in Britain. The expenditure in Cars/Public transport/Post services/Communication services .单位是billion pounds Bar Chart 每部分三个柱子代表三个年份Cars一直领先，Public Transport在70-90增长比较快，但前三项都有rise.Post services太少了没超过1 billion pounds的且90-10年没有变化。口语A trap to test ur ability before u begin(Pay MORE attention while u just come into the office)Building books music friends courses medias ITs my secret, u cant have it, anyway. :) if u will take IELTS in Hangzhou on March 16th or later, pay attention the Exam memories in other city, and last several versions including listening V24 V28 maybe V30/31

altogether, wont take u more than 3 hours to check it all. I love hangzhou, but I dont like stay in hangzhou in all my life..... 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
