' m fifteen years now. During the long time , there was one thing that I will never forget. The Spring Festival is our traditional festival. During the Spring Festival , people usually visit their friends and relatives. When I was 9 years old , my family took the bus to my grandparents ' to say " Happy New Year " to them. In the bus , I had a good seat. At 7 : 30 , the bus came to a village. A woman got on with a baby in her arms. At that time , there was no seat. But she must look after her baby carefully. She had to stand next to me. I wanted to stand up and let her sit down , but I was afraid of hearing the other people say " That girl want to be praised. " I looked around. Most people were looking out of the windows and some were sleeping. Suddenly , a little boy behind me , stood up and made room for the woman. She said " Thank you very much " with a big smile. The boy smiled , too. When I told my cousin about it after that , he said " The child is the father of a man. " I ' m very ashamed. Why could ' t I do the same thing as the little boy did ? From that I learn that we should do our best to help people who need help. If everyone makes a contribution to helping others , the world will become much more beautiful ! 100Test 下载频道开通 , 各类考试题目直接下载。 详细请访问 www.100test.com
