Correction (15 minutes) The key to being a winner is to have desire and a goal from which you refuse to be deterred (被吓住). That desire fuels your dreams and the special goal keeps you focusing. --71. Deeply down we all have a hope that our --72. destiny is not to be average and prosaic. Everyone talks about a good game, but the winner goes out and do something. To win, there has to be movement --73. and physical action. Attitudes and persistence can help us become who we want to be. --74. Competition is the best motivator. Because --75. many people use competition as an excuse for not doing something, those who really want to success --76. see competition as an opportunity, and they're willing to do the tough work necessarily to win. --77. Learn to deal with fear. Fear is the greatest deterrent to taking risk. People worry so much --78. about failing that their fear paralyzes them, drained the energy they might otherwise be using to --79. grow. You can cultivate self-respect by developing a commitment to your own talents. It may be necessary to do the thing you fear the most in order to put that fear in rest, so that it can no --80. longer control you. 答案：71. focused 72. Deep 73. does 74. what 75. While/Although 76. succeed 77. necessary 78. risks 79. draining 80. to 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
