（1）3年前登陆，登陆完就回来，离加已3年，（2）登陆5年多，在最近的5年内，累计居住天数不满730天。除了这两种情况外，回加只须护照和移民纸。不必向大使馆申请。也即，登陆后只要不满3年，随时都可回加，而且只要passport和landing paper即可。大使馆的回答原文如下： the Embassy will continue to process applications for Returning Resident Permits until the new legislation comes into force on 28 June. nbsp ; It will not be necessary to contact the Embassy before leaving for Canada. nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; -You have no Record of Landing, e.g. if your Record of Landing has been stolen, lost, or destroyed. nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; nbsp ; -You have a Record of Landing, and you wish to return to Canada to take up residence there within the next 60 days, but you are concerned that you do not meet the residency requirement. nbsp ; If an application has been submitted but not finalised by that date, the file will be closed and the fee will be refunded to the applicant. This change means that most permanent residents of Canada can return to Canada using their passport and their Record of Landing (i.e. IMM1000 or "Landing Paper"). nbsp ; You will only need to apply to the Embassy for help in returning to Canada in the following circumstances: nbsp ; nbsp ; nbsp ; nbsp
