evaluation test nor have you sought to improve your English here and I am not satisfied that you will be accepted on your proposed course. The cost of your tuition, maintenance and accommodation is to be borne by yourself. You state you have saved 231,000 RMB over the last 3 years, but your letter of employment shows you have been earning less than this amount and you can provide no evidence of any additional income. Therefore I am not satisfied, on the balance of probabilities, that you are able to meet the cost of the course and maintain and accommodate yourself without recourse to employment or public funds. Your proposed course of study is unrealistic because it is inconsistent with your previous pattern of study and employment. You have failed to undertake any studies for the last 3 years, and previous to that you studied engineering you have not been able to give me a credible explanation for this change of direction or an explanation for your lack of commitment to your studies, as such I am not satisfied you are a genuine student.

那天好象签过率比较低，我是9点左右进去的，我前面大概有10来个，加我有4、5个被拒。song-bxnb ; 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
