Here to share my experience. First, I want to tell everyone that my visa interview was very easy. I waited for 2 hours to see the VO but just took 2 minutes to 搞定 him. Confidence and eye contact are important. 还是那句话，要在气势上压倒VO。Knocked on the door, got in, closed the door, and sat down. translator said: “你好！” I said, "good afternoon", translator responded, "good afternoon" I turned my face to VO and smiled. VO: English or Chinese Me: English of course VO said to TR, "you can leave." Tr smirked and rushed out (以掩耳不及盗铃之速) VO: whats the qualification you hold now? ME: Bachelor of Economics VO: whats subject will you learn? ME: IMM VO: what do you do now? ME: working in EDELMAN VO: Can you spell it? ME: E-D-E-L-M-A-N VO murmured: Is this the name of company? ME loudly: yes, thats it. VO 委屈的说: OK VO: Who will sponsor your studying in UK? ME: My parents and myself. VO: How much? ME: My parents prepared 210,000 and I prepared 4000 US dollars and 2600 pounds. VO: How much US\$ do you have? 我这才注意到 that VO didnt use computer but wrote down all my answers on paper in 只有他自己才看得明白的特殊符号. I was smart enough to recognize that he wrote "RMB210,000 US\$" on the last line. I replied four thousand. VO noticed that I was 歪着头正看着他画画，felt

so nervous. 急急忙忙抽出一张白纸开始在上面画 and said your visa would be ready and you could pick up it 3:00 tomorrow afternoon. I said thanks and smiled to him when he passed the paper to me. he said bye-bye when I stood up. 整体感觉vo is a traditional arrogant gentle British man. The interview room is no.12. RELAX AND YOU CAN GET IT. My parents prepared 210,000 and I prepared 4000us\$ and 2600 pounds. 就三张存单，但附有interest sheet。210,000已经存了2两年了。材料就是那些，前人的贴子都有，想说的是父母的职称证明和study plan是有必要的，检查材料的小姐留下了，身份证复印件，材料清单和驾驶证复印件被扔了出来，所以大家不要白花钱复印了。 wangdanbsp ; 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
