(amp ; ^%%).U said the education in UK is good, why u don ' t go to Imperial college? (I dont get the offer from that college)I don ' t believe it关于我的资金,他是一笔一笔查的 :

" tell me, where the money come from? " " we deposited in the China Post Bank before. " " Can I C that banknote ? " " sorry, we conceal it after we get all the money out. " And then he begin to check my rest 5 banknotes clearly, " ok, what is your offer, condition or un-condition " " condition " " what is the condition? " " GPA 3.5, " " what ' s that? " " that is 70% " " you got it? " " yes., " then show my transcript which is 3.7. " any other? " " get my degree from my uni. " " what is the offer?
