studying in XX university?ME:yepVO:why will you go this XXXX univeristy?ME: because it offers me good scholarship, and internship chance to EuropeVO: what other schools did you apply?ME: three schools in the US, two in Canada, and one in NorwayVO: why dont you apply Chinese schools?ME: I want to study abroad, it is more challenging.VO: what will you do after graduation?ME: I want to be a golden collar VO was very angry with my answer after I said "golden collar", he said:"you prepared a speech, so that I wont know what you really think, whats golden collar? golden collar shi4shen2me1dong1xi1?" there is never such a word in English.ME: angry too. I am not prepared, golden collar is a popular word in China, it means a high position with great salary and high social status. Do you know blue collar and white collar? I cant prepare my speech, how can you say that? I stay late with my friends having fun yesterday night, why should I prepare my speech?VO: no, you prepared, I dont believe you. I know, I know....ME: No, I am not prepared. I want to work in a top investment bank in China....VO: okay, give me a specific company.ME: CIIC, China International Capital Corporation, set up by Morgan Stanley...VO: who is Morgan Stanley? Is it a person?ME: (thinking he is a fool)No, it is the biggest investment bank in the US.VO: okay.more questions, I forgot, VO: How would you do if I refuse you?ME: I will go to Canada or Norway to continue my study, but Ameriaca is a better choice.VO: okay, wait until I call you again.我觉得他要拒我了，他又开始签后面的了，INDIANA GG签完了，轮他安慰我了，然后就发生了火警，我们被赶到外面那个大草坪上，VO们在左边，申

请人站右边；结果我不知道，我看到3号大帅哥就跟他走了，就站到了左边，突然发现我的VO就站在帅哥边上，帅哥还一直看我，呵呵因为我戴着蓝色的隐性眼镜，我想他大概觉得我眼睛跟他一个颜色很奇怪。然后我就和我们VO讲了：“hi, can I talk to you for a while?”VO:" whats up"ME:"I just want you to know how good the program is for me, and please consider my case seriously." VO:" okay, i will."火警原来是虚惊一场，于是我们又回到了签证大厅。5分钟后，VO叫我，我还有好多话要跟他讲呢，发现他拿着打印的我的SEVIS信息报告，我想应该是过了，没说话，盯着他，“明天下午3点来拿你的签证！”“I WILL, THANK YOU, SIR！”事后我和我的美国朋友分析过了，他之前让我等就是让我过了。神奇的一签。关于材料：成绩单，录取通知书，存款证明（全奖的不要）别的我都交了感想：我觉得签证面谈是一个很主观的东西，你和他聊天，他判断你的话的真实性，完全是主观的判断，但是注意你的回答要作到从美国人思维方式出发MAKE SENSE。但是我感觉，因为不回的人太多了，而申请人又太多了，这时候签不签得过还真是很碰运气的事情。谢谢本版的帮助，也希望我的帖子能帮助别人。GOOD LUCK！nbsp；出国留学移民教育考试出国,留学,移民,澳洲,澳大利亚,加拿大,英国,美国,法国,日本,新西兰 大家好，从这个版受益很多，却一直没有回报，看到下面广州小胡子的签经，想想我和那位仁兄的签证情况类似，也贡献一点吧。我的情况：MASTER，接近全奖，大四本科在读签证过程：约的7：30，我八点才出门，快八点半才到沙面领事馆大门，一看到领事馆，我想我就明白了VO在这边生活的无奈，他们办公的环境真的好破。8：40
