Subject: Asking for Leave of Absence

Dear Ms.Riddle,I would like to know if I could ask for a casual leave of absence from your Oral English class this Wednesday morning.Yesterday evening I got a phone call from my cousin , who is now running a small firm in suburbs of this city . He needs an interpreter for two days but cannot find the most reliable person, so he wants me to have a try. If you think I may go and help him get over the difficulty, I am confident that I ' ll do a good job and both of us will be grateful.

On Power Failure

Recently, every morning when I wake up, I find my air-conditioner automatically turned off . I didn ' t understand why at first , but soon I learned that there was a great shortage of electricity supply in our city my air-conditioner turned off because of a power failure midnight. With the rapidly developing industry and the ever-increasing population, demand for electricity supply is soaring. Besides, summers in recent years are much hotter than before , so most working places and households are air-conditioned , which consumes additional electricity. Face with such a hard nut , we have to find ways to crack it . Above all , in western areas China , there is surplus of electricity supply. So , cities that are thirsty for electricity may ask for remote help. Then , when we have electricity , we should remember to save it . Set your air-conditioners at 27C and you won ' t feel less comfortable than when they are at 26C . In fact , some factories already shift their working hours to avoid the peak time of electricity consuming. My parents don ' t work from Monday to Friday as before they work from Saturday to Wednesday and have the following two days off instead. This is also a way out , isn ' t it?

Travel-mate Wanted

I ' m a 19-year-old female sophomore named Fu Ping. I hereby earnestly invite a foreign young lady college student preferred to make a three week touring trip with me. My plan is to set off next weekend, when

the summer vacation officially begins. The first stop is Kunming, the world-renowned city for its beauty and mild temperature. We ' ll get there by train and stay there for 2 days, and then we ' ll head for Jingtangshan, a former revolutionary base as well as a natural beauty spot. After a 3-day visit there , we will take a long-distance coach to a nearby port city by the Changjiang River and board a downstream ship to Shanghai, so that we can enjoy the great scenery alongside the third longest river in the world. As everybody knows, Shanghai is the busiest and fastest developing city in China. I ' d like to have a look at its prosperity, so the stay there will be about half a week. And a famous Chinese saying goes, " Just as there is Paradise in heaven, there are Suzhou and Hangzhou on Earth " , so a 4-day visit to these two cities near Shanghai is must. All together, our trip will last about three weeks. I only expect that my travel-mate could split the expenses with me and talk with me in beautiful English, and I would be an excellent guide for her since I major in tourist guiding. Those interested please contact me either through email (fuping@126.com) or phone call (52222221) .

Away from Net-bar Campaign

It has been reported that a middle school in Xuzhou City has recently launched a campaign named “Away from Net-bar”. More than a thousand students have signed for their solemn promise that they will not spend a single minute in the net-bars. With the nearing of the summer vacation, this campaign is especially meaningful for the healthy development of the minors. The internet has brought people great convenience in getting information, entertainment and contact with others, and it has also benefited some businessmen, especially the owner of net-bars. While it is true that most net-bars are running legally, it is also true that some are offering unhealthy programs that involve violence and sex content. Since most middle school students are prone to be

influenced and they can hardly tell which bars are doing well and which ones are not, it is only advisable that they stay away from all. Besides , staying away from net-bars also does good to students ' physical health. By passively sitting too long in front of the computer screen, both their eyesight and physique suffer. Obviously , the Away from Net-bars Campaign is an activity that is worth advocating and it merits other schools ' reference

Being online is no longer something strange in our life. To some degree, it has become part of our daily life. We can do a lot of things online, such as searching for information and communicating with friends far and near. But recently another helpful online activity has become very “ in ” . That is online education. Why could online education be so popular within such a short period of time? Among other reasons, the quick development of the internet should be an essential one, which makes all our dreams of attending class in the distance possible. Another underlying reason is the quick development of both society and technology. Today , modern science and technology is developing with lightening speed. To catch up with this development we all feel an urgent and strong desire to study. However , due to the great pace of modern society , many people are too busy to study full time at school. Online education just comes to their aid. Personally , I appreciate this new form of education. It ' s indeed a helpful complement to the traditional educational means. It can provide different learners with more flexible and versatile ways of learning. Most of all ,with online

education, we can stick to our jobs and at the same time study and absorb the latest knowledge.[1] [2] [3] [4] [5] 下一页 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
