WRITINGSECTION A COMPOSITION Should Students Wear School Uniform?As we know, wearing school uniform is indispensable for Japanese students, whereas for American students, it ' s not such a case, so should Chinese students wear school uniform? Some believe in the advantages of wearing school uniform. Firstly, uniform can cultivate collective spirit, which is typical of Japanese students. Secondly, schools can be kept in good order with uniform since the outsiders will be recognized immediately. Besides, wearing school uniform can help students develop simple life habits. However, others don ' t think so. They claim that wearing school uniform will deprive students of individuality, which is always the source of amazing creativity. As for collective spirit, attending sports games seems to be more effective, and wearing school uniform doesn ' t result in simple life habit as we expect. In my opinion, different schools can have different policies. It may be good for elementary school students to wear school uniform, but this is not strongly recommended for college students. SECTION
