例：The Goal of Life（共有3篇范文）范文之一 After reading this instructive story, we can learn that there is no goal, there is no life, and we should set new goals for life in different periods of life.

Otherwise sad story such as the disabled man mentioned in the story would happen. Only with the renewed goals, we can improve ourselves step by step, and make our life more colorful and meaningful. Certainly, everyone has his own goal of life. I have mine too. My goal is to become a famous surgeon. I ' ll work hard to achieve this goal by learning and practicing more, so that I can make myself more knowledgeable and skillful, and use them to benefit my patients. If I have achieved this goal, I would set up a new one. Then, I ' ll do my best to achieve it. Therefore, everyone should set different goals in different periods of life, and try his best to achieve it. In this way, we will live happily. 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
