Part I Reading Comprehension

Passage 1 Questions 1 to 5 are based on the following passage: A

youngsters social development has a profound effect on his academic progress Kids who have trouble getting along with their classmates

can end up behind academically as well and have a higher chance of

dropping out(退学). In the early grades especially, experts say,

youngsters should be encouraged to work in groups rather than

individually so that teachers can spot children who may be having

problems making friends "When children work on a project", says
