Mrs Green is talking about getting ready for Christmas. Listen carefully and answer the questions in your workbook. Mrs Green : Christmas Day is always on the same day every year - December 25th. Everybody in England enjoys Christmas , but people often forget that getting ready for Christmas is very hard work. There are so many things for us to do. The first problem is this : you have to make sure that you have enough to eat and drink. People usually eat a big bird for Christmas dinner - a big chicken , for example , or a big duck. Also , of course , you have to make a big Christmas cake. I usually make the Christmas cake in November. A Christmas cake is full of

fruit , with sugar on top. You need many other things for Christmas - nuts , sweets and apples - that kind of thing. Father usually buys the Christmas tree. He brings it home , and the children cover it with lights , and put a star on top , so it looks really beautiful. We always have a fire , too. I ask Jim to cut up wood for the fire. Everybody gives each other presents for Christmas. We put the presents on the floor under the tree on Christmas Eve , and open them on Christmas Day. Nobody must open their presents before Christmas Day ! The answers are : 1 B , 2 B , 3 B , 4 C , 5 B , 6 C , 7 C , 8 B , 9 A , 10 December 25th. Step 3 Speechwork Wb Lesson 52 , Ex. 2. Speech Cassette Lesson 52. Play the tape for the Ss to listen and repeat. Isolate and practise the individual sounds. Step 4 Practice SB page 52 , Part 2. Do the first two sentences as an example with the whole class , then let the Ss work in pairs. Check the answers with the whole class , then get the Ss to practise the dialogue. Ask some pairs to act out the dialogue. Remind them to look at each other as they speak , not at the book. The suggested answers are : care , given , gave , about , changed , cleaning , often , Once , enough , think. Step 5 Workbook Wb Exx. 3 and 4. Do Ex. 3 orally with the whole class. Change the tense of the verbs as necessary. For Ex. 4 , let the Ss work on their own first , then check the answers with the whole class. They can find the answers in the unit (1 except , 2 with , 3 from , 4 without , 5 for) . Step 6 Checkpoint 13 Go through Checkpoint 13 and discuss any problems that arise. Practise the “ useful expressions ” in the usual way. Step 7 Test Give the Ss a quiz about Christmas.
