I hope I could get the opportunity to finish my postgraduate courses in Jilin University which I have desired for a long time. I have the confidence because I have such ability! I will soon prove that your decision of choosing me is the wisest. Thank you for giving me such a valuable opportunity!

Reasons for taking postgraduate exams First of all, I love my major. Chinese literature is the symbol of the start of Chinese literary modernization. It plays an important part in modernization of our citizens thoughts. Whats more, modern literature is very close to our daily life and it can deeply reflect the styles and features of our society. I am fascinated by the great masters refreshing or warm or profound styles as well. But I am not easily satisfied with such superficial knowledge. I hope I could have a better understanding in modern literature by studying further. This is a very important reason for me to take the postgraduate exams. Next, I love the feeling in the university. It is full of youthful spirit. And I am

deeply attracted by the scholarly atmosphere. And the most important, it's my great honor to open my ears to your teaching. Finally, I want to talk about a very practical problem. That is my dream of becoming a teacher in the university. I want to realize my dream and make myself to be a well-qualified person. I think the postgraduate studies can enrich my knowledge and make me competent in my future job. That's my simple but clear reason why I took the postgraduate exams. My university I'm graduating from × × University this June which has a history of 50 years. It shares many same characteristics with Jilin University. Both of them have a refreshing and scholarly atmosphere. Four years studying there made me an independent, optimistic and strict girl. I appreciate the education my university gave me.
