Are your name is.....? First of all, wed like to know something about you, so Im going to ask some questions about yourself.（从以下各项问题中选择几个适当的问题提问考生） a. hometown Where are you from? How long have you lived there? How do you like it? why? Do you live near here? where about? What do you think are the good points about living in this city? b. family Could you tell us sth. about you family? What does your family usually do for the weekend? What do you think about living together with your parents? c. leisure do you have any hobbies? how did you become interested in the hobbies? d. study / work Why do you choose to study at our institute? Why do you want to go to graduate school instead of finding a job? What are your favorite subjects? What kind of job did you do? Have you ever worked during the vacation? Why do you want to go back to study instead of going on with your work? What qualifications are needed in order to do your job well? What did you enjoy most about your campus life? e. future plans What do you expect to achieve during your study if you are enrolled into this institute? Do you think english is important for your future plans? in what aspects is it important? Part B Interlocutor（问话者）： Now id like you to

talk about something for about 3 minutes. Here is a list of topics. (将一组话题或问题递给学生) Please read the topics and choose one from the list you like to talk about. Youll have 5 minutes to prepare for your talk (5 分钟后) Could you tell me what you want to talk about? All right, youll have 3 minutes to give your talk. Would you begin? (The interlocutor may intervene only when necessary) Topics / Questions (只列举了一部分话题) Give your comment on the statement that “ a part-time job is an important experience that every college student should have. ” Use specific examples to set forth your views on the saying “ haste makes waste ” . Describe one of your own experiences to demonstrate that “ nothing ever becomes real till it is experienced ” Explain your understanding of the conventional belief that “ age brings wisdom ” What are the current problems of college education? how to resolve them? Some people say there is no absolute truth because “ truth ” is defined by people and there is no objectivity whenever people are involved. does absolute truth exist or not ?why? 100Test 下载频道开通 , 各类考试题目直接下载。详细请访问 www.100test.com
