It is the article that (which) they discussed last week. It was because he was too careless that he broke all the glasses. It is in this room that I was born 30 years ago. 一、谓语动词用do, does, did表示强调 在肯定句中,可以用do强调谓语部分,可谓为:“务必”、“一定”、“真的”、“确实”等。这时动词要用原形。 He does like to eat noodles. She did send me a postcard as I expected.
