水平测试试卷基础班综合测试一（2）答案 Part I Translation  
(30minutes, 20 points, 10 for each) Section A Directions: Translate  
the following passage into Chinese. Write your translation on the  
ANSWER SHEET. The American Economy just isn ' t looking up  
these days. The growth rate for this quarter will probably be close to  
zero. Unemployment is rising. The stock market remains sluggish.  
And now many worry that the growing economic stagnation abroad  
will affect the United States. With trouble spots multiplying around  
the globe, investors are already coming to the conclusion that the  
safest place to put their money is in the U.S. A. How else to explain  
the gravity-defying feat of the dollar? By all economic logic, the  
dollar should fall when the Federal Reserve cuts interest rates. But as  
any American tourist knows, the greenback has been firming up  
against the euro and the yen despite six rate cuts this year. European  
and Asian investors are using their savings to buy American bonds  
even though they can get higher interest rates in their own countries.

Section B Directions: Translate the following passage into English.  
Write your translation on the ANSWER SHEET. 生活中充满了危  
险，但我们并不一定把这些危险都想得很清楚。当我们第一  
次登上飞机的时候，我们很怕它摔下来，尽管人家向我们保  
证飞机是有史以来最安全的旅行工具。然而当我们坐上汽车  
的时候，我们往往并不担心，虽然汽车比飞机要危险得多。

在一定程度上，这是很自然的，我们往往惧怕陌生的东西。为了查清我们在各种各样情况下会遇到多少危险并帮助我们更明智地作决定，一门被称为“风险估测”（risk assessment）的新的科学已经形成。它的目的当然是将风险减少到最低限度。

Part II Writing (30 minutes, 15 points) Directions: For this part, you are allowed 30 minutes to write a composition in no less than 120 words on the topic Changing Criteria For Good College Students. Your composition should be based on the following outline: 1. Previous criteria 2. Present criteria 3. My comments
