Who am I? You sure you want to know? If somebody told you I was just your average, ordinary guy, not a care in the world, somebody lied. Truth is, it wasn't always like this. There was a time when life was a lot less complicated.

Peter: Can I take your picture? For the school paper?

Mary: Sure. (During a visit of the lab.)

Commentator: In this lab we have 15 genetically enhanced super spiders.

Mary: There's 14. One's missing. (Peter is in his room.)

Mom: Peter, are you all right?

Peter: I'm fine.

Uncle: Peter, look, you're changing. I know, I went through exactly the same thing at your age.

Peter: Not exactly. (At the dining hall of school, Mary slips and almost falls. Peter supports her.)

Mary: Wow.

Harry: Peter, may I introduce my father Norman Osborn.

Peter: Great honor to meet you, sir.

Norman: Harry tells me you're quite the science whiz. You know, I'm something of a science whiz myself.

Harry: What the hell is that?

Peter: Whatever it is, somebody has to stop it. With great power comes great responsibility.

Peter: This is my gift.

Mary: Wow.

Peter: It is my curse.

Mary: Who are you? Who am I? I'm Spider Man.
