A To Whom It May Concern: I am a regular attendee of your History movie night. I recently came across a movie that I think would be perfect for your monthly gathering. It is called “ Brave Heart ” . This is a very popular movie describing the war between the Irish and the English. I believe this movie would be an excellent choice for movie night. It gives a very detailed account of an important historical event, and is also very exciting and moving. Not only is it full of useful information, it also provides an interesting take on morality and emotion. I truly hope that you consider showing this movie, as I would love the opportunity to discuss it with my classmates. Yours sincerely, Li Ming

Part B Technology is becoming ever more prevalent in our society. In this picture, a young student holds up a cellular telephone. He asks his teacher if he is allowed to use his phone to take pictures of the questions he does not understand and have his grandfather help him with them. The teacher looks very confused at the question.
