There are _____ people in my family. My father works in a computer company. And my mother is a housewife. I am the youngest one in my family. In my spare time, I like to read novels. I think reading could enlarge my knowledge. As for novels, I could imagine whatever I like such as a well-known scientist or a kung-fu master. In addition to reading, I also like to play PC games. A lot of grownups think playing PC games hinders the students from learning. But I think PC games could motivate me to learn something such as English or Japanese. My favorite course is English because I think it is interesting to say one thing via different sounds. I wish my English could be improved in the next four years and be able to speak fluent English in the future. Sample1: I am _____. I was born in _____. I graduate from senior high school and major in English. I started learning English since I was 12 years old. My parents have a lot of American friends. That ' s why I have no problem communicating with Americans or others by speaking English. In my spare time, I like to do anything relating to English such as listening to English songs, watching English movies or TV programs, or even attending the activities held by some English clubs or institutes. I used to go abroad for a short- term English study. During that time, I learned a lot of daily life English and saw a lot of different things. I

think language is very interesting. I could express one substance by using different sounds. So I wish I could study and read more English literatures and enlarge my knowledge.

Sample3: My name is . There are 4 people in my family. My father is a Chemistry teacher. He teaches chemistry in senior high school. My mother is an English teacher. She teaches English in the university. I have a younger brother, he is a junior high school student and is preparing for the entrance exam. I like to read English story books in my free time. Sometimes I surf the Internet and download the E- books to read. Reading E- books is fun. In addition, it also enlarges my vocabulary words because of the advanced technology and the vivid animations. I hope to study both English and computer technology because I am interested in both of the subjects. Maybe one day I could combine both of them and apply to my research in the future.

Sample4: My name is . I am from . There are people in my family. My father works in a computer company. He is a computer engineer. My mother works in a international trade company. She is also a busy woman. I have a older sister and a younger brother. My sister is a junior in National Taiwan University. She majors in English. My brother is an elementary school student. He is 8 years old. Because of my father, I love surfing the Internet very much. I play the on-line game for about 2 hours every day. I wish I could be a computer program designer in the future. And that is why I am applying for the electronics program in your school.

Sample5: From a middle class family, I was born in Hsin Ying, Tainan on October 10th, 1965. My father is a civil official at Tainan City Government.

My mother is a house wife good at cooking. Although I am the only child of my parents, I am by no means a spoiled one. On the contrary, I have been expected to be a successful man with advanced education. I study hard at school. Besides text knowledge, journalism is my favorite. Whenever reading, my heart is filled with great joy and interest. "Being good is a must. Successful, however, is plus." Father adopts the idea of his father. Especially in military service, I realized it more precisely. People said: Military service makes a boy a man, I agree that. I realized the importance of English and began to study diligently when I was eighteen. I did not start in my early age, but I hope that I could pass the test of General English Proficiency Test. And this is my best wish at the moment.

Sample 6: After completing my military service, I have been looking for a challenging goal for me to achieve. And I found that the Intermediate of General English Proficiency Test fits my new achievement properly. I graduated from Taipei Commercial Junior College, majored in business administration. Instead of spending much time in playing, I devoted myself to my studies and paid attention to all meaningful things that happened in daily life. By the way, I learned a lot from Mr. Wang, the professor of my business class. He is my good friend till now and often gives some appropriate suggestions toward my problem confusion. My father is, in the same way, a good consultant to me. As he said: I am in poor education, little for you. To clarify, what he has given is far beyond his words, I do think so. I was born in a country of Ping Tung Country, farming is our career of generations. There are four people in my family,

Mother is housewife and my brother is a student of an Agriculture College. I am optimistic and active, and I am confident that I can pass the test. Thank you for your precious to read my autobiography.
