Neither of the two speaks English well. You must not favor either side in the dispute. In neither case can I agree with you. 2) either...or表示两个或多个选择中的一项。neither...nor表示“既不，也不”。either...or, neither...nor连接的两个名词或代词作主语时，谓语动词与最靠近它的主语一致。【例如】He neither knows nor cares what has happened. Neither he nor I have met such a beautiful girl before. He must be either mad or drunk. Either she or you are to be blamed for what has happened. 3) either表示也不，用于否定句。(too表示“也”，用于肯定句。)【例如】I dont like the yellow shirt, I dont like the green one, either. 4) neither可以引导倒装句，表示和前面的情况一致，而且前面为否定句。【例如】The organization had broken no rules, but_____had it acted responsibly. (CET-4 1996,1) A) neither B) so C) either D) both neither引导倒装句，表示和前面的否定情况一致。so引导倒装句，表示和前面的肯定情况一致。either表示两者中的一个，both表示两者都。答案为A. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
