X Subject: Glad to cooperate Dear Mr. Jiang Wen, With reference of your letter of October 10, 2002, we are glad to learn that you wish to enter into trade relations with our cooperation in the line of canned food. After browsing your companys web page, we found that your desire to establish direct business relations with us coincides with ours. We would like you to send us a full range of samples. We are large dealers in canned food, and believe there is a promising market in our area for moderately priced goods mentioned above. Sincerely yours, John Goodman
