举一些例子供大家参考。

1. Head Start如果这两个字开头的字母是大写，则连在一起是一个专有名词，指的是美国政府为贫穷或弱智的儿童设立的一种训练机构，帮助他们，希望他们在进小学之前能赶上教学进度。也就是：U.S. government tries to give extra - help for those underprivileged children before entering first grade. (underprivileged 比poor 更委婉些)例如：Many poor parents send their children to Head Start.但是如果head start的字母是小写，那么就是普通名词了，是指比人早着手，或领先、有利，即：advance start or advantage例如：To know more colloquial expressions is a head start in learning English. (了解更多的俗语对学习英语有好处。)

2. blue blood是指有钱人或出身富家的人 (rich or wealthy people)例如：Some people do not want to admit that they have blue blood. (有些人不愿承认自己是富家出身。)

Many blue blooded children attend this private school. (许多有钱人家的孩子就读这所私立学校。)

3. bed of roses意思是称心如意的境遇；美好、理想的"安乐窝"(everything seems to be wonderful)例如：Life is not always a bed of roses. (生活未必都是称心如意的。)

4. from soup to nuts意思是从头到尾，自始至终；或是一应俱全，完整详尽（多半是指物品方面）。例如：This store sells everything from soup to nuts. (这家商店出售的货品一应俱全。)

My office is supplied from soup to nuts. (我办公室里的用品十分齐全。)

但是如果指知识丰富的话，则不用这

个词，而是通常用 from A to Z来表达，。例如：Mr. Greenspan knows economics from A to Z. (格林斯潘先生在经济方面的知识非常丰富。) 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
