your letter , using “ Li Ming ” instead. Sample : Dear Linda , I am afraid that I wont be in our dormitory tonight because my mother has come here to see me and I plan to sleep in the room she has booked in a nearby hotel. I had wanted to tell you that in person but you are not back yet. So I have to leave this note for you. My mother has brought me several bags of beef jerky that are a special product of my hometown. Ive left two of them on your desk. Help yourself and I hope youll enjoy them. Besides I have asked our teacher for a days leave. So I wont be present in tomorrows class. Would you do me a favor by handing in my history assignment to the teacher ? It is on your desk beneath the beef jerky. Thanks. Take care of yourself. Yours , Li Ming
