When President Bush says something that doesn't make any sense, it doesn't make any sense. that's the difference. As you know, a President every Saturday, I guess, has like a five-minute national radio address. How many of you have ever heard the President's weekly nationally broadcast radio address? I'm no poll taker, but I'm gonna say that's four. I am gonna put that down: four! This weekend, because of Sinco Demaio, President George Bush 2) delivered the speech in English and also in Spanish, and Bush spoke very slowly and very 3) haltingly, and that was the English part.
