In a recent Hollywood comedy (喜剧) , that is exactly what happens. Dave Kovic , played by Kevin Kline , is a kind-hearted man who runs a business that finds people jobs. He leads a typical (典型的) American way of life , except for one thing - he looks exactly like the President , Bill Mitchell. In fact , the only thing that makes him different from the nation ' s leader is that he is very nice ! The president has started using look-alikes during some public appearances. Dave is offered a chance to “ serve his country ” by becoming one. However , things go wrong. The President becomes very ill and Dave ends up acting as the President forever. Director Ivan Reitman , who made the popular and successful comedies like Twins , Ghostbusters and Legal Eagles , could have gone for easy laughs by making fun of the American government. Instead , Dave is an attractive comedy about an ordinary man in extraordinary situations. Kevin Kline gives a double performance as Dave and the President , and Sigourney Weaver is at her best as his First Lady. The love story that develops between her role and Dave is a real classic (经典) 。 The film is 100% American. However , if you ' ve ever felt that anybody could do a better job running the country than the people in power , then you ' ll enjoy Dave ! 1.What is the purpose of the text ? A.To tell the reader about the American
