”是“ Interviewer ”（主试人）的缩写，“ C ”（ Candidate ）代表应聘者、应试人。 About Your Reasons for Application 关于应聘原因 面试之一 I: Why. are you interested in working with this company? Why do you have (or take, feel) interest in applying our firm? Why are you desirous to get this job (post, position)? C: I ‘ m interested in working with your company because I know yours is one of the largest computer companies in our country (province, city). My major in the university was computer programming, so I wish to have, the opportunity to apply my knowledge here. Your firm has a good reputation in the advertising business. Anyone who works at your firm can set his heart at ease about his own future. That is why I have interest in applying to your firm. My past work experience is closely related to this job. I am confident of doing the job well. Therefore I am desirous to get this job (post, position). 面试之二 I: Why did you choose this corporation? Could you tell me what made you choose this company? Why did you pick this organization? C. Well, I know that you do a very big international business, so I thought it would be a good place for me to make use of the experience I have had abroad. I think working in this company would give me the best chance to use what I ‘ ve learned in the university. As you may know from my resume, I majored in life science. People say the prospects for life science are very bright, and

your company is a leading one in this field. So I wish to be a member of this company. Well, I ' ve cherished a desire to get a job where I can use my English, and then I saw your organization ' s advertisement in "China Daily" for an interpreter. I think your organization has a great future, and I will be able to develop my capabilities here, if hired. That ' s why I applied to you. 面试之三 I: Do you want to work here because you can speak English? Did you choose this company on account of high pay (remuneration) ? What ' s the reason for your application for this position? C: No, not just because I can speak English. What I really want is the chance to learn some advanced methods of management from foreign staff members. No, not only for high pay (remuneration), but also for a good working environment. As far as I know, working in a Sino-foreign joint venture calls for punctuality and responsibility. It is such a working environment that I am looking for. The reason for my application for this position is simple: my educational background and professional experience make me qualified for the job. 面试之四 I: Have you applied for a similar post to any other companies? C: No, this is the only one. Yes, I ' ve also applied to Global Huada Company Ltd. a Sino-American joint venture, in case I may not accepted here. Yes, I ' ve applied to General Electric China Incorporation but that was just to get experience in being interviewed. It would be hard for me to get employed such a large company, I am afraid. That ' s why I want to enter this company. 面试之五 I: What was the result of your application to that company? C: I was offered a position, but I didn ' t accept it since the location

is too far away from my house. They turned me down. I haven't heard the result yet. 面试之六 I: Why don't you think you got the job? C: I think the only reason is that I was too nervous during the interview and I couldn't express myself the way I wanted to. My failure is due to the fact that I don't hold a local ID card. 面试之七 I: What's the reason why you failed to get the post? C: My domicile isn't in that city and they needed a local resident. That's the sole reason for my failure to get the post. 面试之八 I: If you are engaged by both companies, whose offer will you accept? If you are accepted at both places, which company will you choose? C: Of course, I'll accept your offer. I want to work for you. Needless to say, my first choice is your company. It's my pleasure to work with you. I'll decline the other offer. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
