读经典书籍对人的成长至关重要 现在愿意阅读经典的人却越  
来越少，原因是…… 我们大学生应该怎么做  
The Importance of  
Reading Classics Reading classics plays a vital role in a persons  
growth. By reading classic works, either Chinese or foreign, one can  
learn a great deal about history, geography, politics, wars and  
customs. Besides, as these classics are the outstanding representatives  
human language, reading them can enormously improve our ability  
to read and write and to inherit cultural traditions. However, a  
diminishing number of people would like to read classics now. A  
variety of factors may have contributed to this phenomenon, but the  
following are the critical one. In the first place, as the pace of life and  
work quickens, people can find little time to indulge themselves in  
thick and serious works. They would rather read light and easy  
magazines or surf the Internet and do online reading. In the second  
place, most classics depict things far away from our real life, which  
makes reading them seem irrelevant. As college students, we should  
shoulder the burden of inheriting and developing cultural heritage.  
Therefore, it is essential that we should make plans to read classics  
regularly. Besides, we should try to influence people around us into

reading them. 100Test 下载频道开通，各类考试题目直接下载。
