This was the first circus I heard of in Taiwan, so our family all went there one weekend. There were acrobats, trapeze performers, a bareback horse rider, and trained animals. There were special stunts high in the air-such stunts as walking on a tightrope and riding a bicycle along a high wire. Also, there were some clowns with a big red nose who made everyone laugh. They also had tigers leap through loops of fire. Everyone was excited and happy with the two hours show, and probably next year I will go to see the circus again if there is one. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
