As a matter of fact, he gets along with everyone very well. He never spends time fooling around with his classmates. He might spend just five to ten minutes talking to you once in a long while, but he talks with enthusiasm and energy, and he likes to share his thinking and ideas with you. He is honest. he does not like to waste his time and energy in pretending. He never appears sleepy and tired in the classroom. He always hands in homework on time and also does well in his examinations, yet he has time practicing skiing and his rifle skill outdoors. I admire him. I hope I can be as diligent as he is. Chi-Chi is persistent, attentive, and energetic. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
