servicesPARTA PARTB PARTC1)7天长假好some people can use the seven days reading books or studying,and you know when they are working,they dont have time to do it.7天长假不好since most people dont have other vacation time,everybody is travelling during the week-long holidays.so at the beginning and the end of the holidays,place such like airports,train station,long-distance bus station are often over-crowd.for example,in last labor day holiday i went to beach.i want to enjoy the beauty of the seashores and was planing swim.but when I reached the long-distance bus station,i found that people were everywhere.I swore I would never go travelling in a week-long holiday again.2)喜欢去风景区旅游I prefer natural sceneries. Mountain and lake is my favourite. they are very beautiful and very nice.and everything is quiet.I enjoy it.If we have unhappied thing ,I will go there.becuase it is quieter .I can concentrate on thinking for working out these difficult problem.喜欢去名胜古迹旅游we like to go historical sites.china has a history of 5000 years.there are many historical sites in my country.I can visit them.visiting them can help me to learn china history.3)关于旅游住宿If I am going to another city on a business trip.Id like to stay in an upscale hotel.the service is very good.if our client come to meet me,they dont look down upon my company.if I am going to a big city.I will choose a medium-priced hotel.in big cities,public

situation is not very good. the most important thing is safety. upscale hotels are the safest, because their security service is the best. but it is very expensive to live in an upscale one if I pay by myself. so I will choose a medium-priced one. if I go to small cities, I will choose a guesthouse. firstly, a guesthouse is very clean. secondly, it is very safe to live in those guesthouses, because you actually live together with the family. thirdly, the service is very friendly. the landlord and landlady treat you as if you were their family members.

4) 关于过年, 不喜欢过年 everybody is visiting relatives and buying goods for celebrating the Spring Festival. during the Spring Festival, especially at the beginning and the end of the Spring Festival, places such as airports, train stations, long-distance bus stations are often overcrowded. for example, during the Spring Festival period, I went to Nanjing Road. I wanted to buy some goods, but when I reached there, I found that people were everywhere. I swore I would never go shopping in a Spring Festival again.

5) 关于过西方节日 The picture shows many young people celebrating Valentine's Day. in recent years more and more people have begun to celebrate Western holidays. for example, on Valentine's Day many young people will send roses to their girlfriends and take their girlfriends to go to a romantic dinner. the girls will buy their boyfriends chocolate. on April Fools' Day many office workers and university students will fool each other or play tricks on colleagues or schoolmates. on Christmas Eve, some young people will go to church. these celebrations show the influence of Western cultures, especially American culture. but more and more people are celebrating Western holidays, there are fewer people celebrating

traditional chinese holidays,such as mid-autumn festival,dragon boat festival.I feel very sad.all the traditional festival have their significance in the chinese history.I think we should not forget our own festival.6)

喜欢一个人出去旅游I like to travel alone.there are at least four reason to explain my opinion.firstly,I can make a decision.you know,when we travel with many friends,it is very hard to decide where to eat,what to see first.secondly,it is very hard to book rooms and tickets at the same time,especially when you travelling during the long holidays.thirdly,why do we want to travel?because we want to know about other places and how other people live their life.so ,when I am alone,It is very easy to talk to and make friends with the local people.fourthly,I can have more freedom when i am travelling alone.that means ,if I personally like one place,I can just longer.but if i am travelling with friend,it is very difficult,since different people have different view.7)医生收红包现象the doctor wants to know whether the patient has enough money to pay for the treatment.you often see the phenomenon from newspaperand radio or on tv.hospital or patient refuse to treat patient because he or she doesnt have enough moneydoctors or nurses used to be called"white angels",but nowadays some doctos and nurses are paying attention to money.they dont forget about their professional morals.doctors is a noble profession.I hope doctors or nurses will realize they have done wrong.our government should take some measure to provent the phenomenon.for example,we should make severe law,if doctors or nurses only pay attention to money,they should be punished severely by law.and,our government should offer hot line,if leaders

do something wrong, people should tell government through hot line. and, government should educate doctor, and tell them their duty to save patients. 8) 长假好不好 there are more and more people enjoying the long-week holidays. I think it is very good to us to have a long-week holidays. there are at least two reason to explain my opinion. firstly, some people can use the seven days reading books or studying, and you know when they are working, they don't have time to do it. secondly, you can visit your friend, because you are busy every day, you don't have any time to visit your friend. but, every coin has two sides. since most people don't have other vacation time, everybody is travelling during the week-long holidays. so at the beginning and the end of the holidays, place such like airports, train station, long-distance bus station are often over-crowd. for example, in last labor day holiday i went to beach. i want to enjoy the beauty of the seashores and was planning swim. but when I reached the long-distance bus station, i found that people were everywhere. I swore I would never go travelling in a week-long holiday again.
