free time activity and shopping  
PARTA PARTB PARTC1)  
关于下棋 I like playing chess and collection stamps. when I was young, and I see my father is playing chess with his friend. from then on, I begin to play chess. but now my studying is very heavy, I have to study hard every day. I don't play the game. 2) 关于看电影 I am very crazy about movie. I save money every day. I am only one purpose that I can often go to cinema. of course, I also like buying some dvd. In common, quality of legal dvd is very good. you can watch clear picture and clear sound. I like jackchen, though he is not handsome, he is very humorous and his film is very interesting. and his kongfu is very attractive. 3) 喜欢溜冰 I like skating. when I was six, I begin to like it. I like skating, because when I am skating, I can relax and I am very happy and very energetic. and it is very good to our health. you can also see white and pure ice outdoors. 4) 踢足球 I like playing football. I often play football with my friends. but place is smaller and smaller, I can't just find places for playing football. we have to spend money to choose a place for playing football. of course, I like watching football match, especially world cup. I remember I watched it every night. sometime I can't fall sleep until the football ends. 5) 游泳 I like swimming, especially in summer. I can swim every day. I am a keen swimmer. throughout skating, you can feel relax and feel more energetic and so happy. 6) 业余活动: 做模型飞机 the student is

making modern plane. I guess he is taking part in the competition about making modern plane. 7) 业余活动: 浇花 the student is watering flowers. I guess that she is fond of flowers. 8) 业余活动: 画画, 下棋 the student is painting. I guess that he is interested in painting. he can also play chess. you see that he is concentrated on playing chess with a his friend. I think he is a superman about playing chess. 9) 业余活动其他 A: of course, there are more hobby among us. such as playing football, seeing a film. and I often see a film every month. but I have not enough money, so I can buy some dvd. and If you buy legal dvd, you can find out its quality is very well, and sound is very clear. some people like reading books, through reading book, they can know about much knowledge and these knowledge will not be learned in daily life. you can know about some things through hobby. and those thing are not from textbook of course as a student, we should study, studying is very important for them B: through hobby, we can know about some knowledge and learn about culture and custom. we can relax so that I can have more energy to study or work. but every hobby will spend amounts of time, of course, we should be deal with relationship study and hobby. 10) 超市购物 You often see people rolling the trolley in the supermarket. there are many goods in the trolley, such as sweets, meats, and naobaijin. you often see the commercial on tv. the advertising is very awful. if people watch the advertising, they cant buy it. 11) 关于广告 There are more and more commercial on tv. you can find out some commercial is wrong, advertiser only has a prupose, that is making money, they dont responsible in what he tell them, because if they tell people the truth

,nobody will buy it.关于服装价格高问题A:you can find there are many expensive goods in the modern department,especially shanghai,beijin,guangdong district.if you come into the department,you can see a suit ,and its price is 2000 yuan.if you come to sports floor,at the famous brands counter such as adadas ,nike,a sports shirt worth 500yuan.you know a ordinary people only have 2000yuan salary every month.the shirts price is one-fourth of income.why do people will buy expensive goods,I think there are at least one reason.Famous brand can bring people confidence and energy.if they have famous brands cloth,they will concentrate on doing some things.and famous band is a symbol of status.if you wear famous brand cloth,you can find everyone looking at you,you feel proud and happy.b:indeed,this is not good.I remember when i was young,many classmates wear famous brand clothes,and compare with each other.if someone wear a famous cloth,others admire him.however,famous brand divide two kinds.one is domestic famous brand and two is intertional famous brand.and there are a very bad phenomenon,people like wearing interetional famous brand,and they dont like wearing domestic famous brand clothes.I hope if you decide to buy famous brand,you had better buy domestic famous clothes.if so,ourcountrys economy will develop more fast. 100Test
