: food and drinkPARTA PARTB PARTC1)喜欢吃荤菜 I like having a meat,such as pork ,beef or limb.although it contain much fat,it tastes very delicious.2)喜欢吃素菜I like to have vegetable,although it tastes very bad,it is very good for our health,because vegetable has much rich nutriment.3)关于速冻食品I like to have instant food,because I have no time to cook,it is very convenient to have instans food,and some instant foods have some nutriment,such as jiaozi,dumpling.it contains both pork and vegetable.but I dont like instant noodle.because it contain less nutriment and it tastes very bad,the only merit is cheap. 4)关于快餐I like to have chinese fast food.because it is very delicious and it still contain much nutriment,while western food has less nutriment,especially kfc.indeed,western fast food taste very well,but it is very harmful for our health.A:You can see many people going into the westenn fast food reataurant,especially young people.why do many people like having western food?I think there are at least three reason.firstly,westen food is very delicious,such as chikcen and hamburger.you only spend 20 yuan and you can still enjoy good taste.if you want to spend 20 yuan for enjoying good taste at the chinese restaurant,it is very impossible.second,it is very convenient to have such a fast food.you only take 10 minutes to have it.you know,if you have chinese foods,cooking it is at least 10 minutes. especially

now pace of life is more and more fast ,we have no time to eat something.thirdly,promotion ways in western fast food reataurant is very attractive.you know there is at least a new product in western food reataurant every month especially McDonalds and KFC.many restaurant can offer many toys,especially series of small toys.many chuldren want to each toys,they have to often go to reataurant.B:I agree with you.but I will have a another reason.that is advertisement.you often watch many fast food advertsiment on TV.and thses picture is very attractive.you can see big hamburger,and you can see big chicken,especially when you are hungry,you will rush into fast food restaurant to enjoy it.5)关于咖啡I like to have a coffee.because studying is very heavy,and I dont often go asleep until at 11 pm for studying,if you have a coffee,it can refresh me.It contain caffeines,which is harmful to peoples health.6)关于茶I like to have a tea.it is very good for our health.7)关于水果饮料I love it.it contain much nutriment,such as vantain c.and it tastes very good.8)关于可乐It can refresh me,but it contain some element,which is harmful to your health.二 : daily life PARTA PARTB PARTC1)关于E-mailIt is very convenient to use e-mail.it is much faster and more convenient than the traditional mail service.2)关于网上购物I like shopping online.I am a vip in joyo.you can buy anything that you want to buy.and shopping online is very convenient and very cheap,but its quality is very good.you just stay at home and click on your mouse.for example,if you decide to buy something,next day someone will send goods to you home.3)关于网上聊天I often chat on Internet.I talk with my friends through qq

about everything such as politics ,sports,current affair and so on.and for improving my english,I often also talk with foreingers through msn.we can also know about many customs in different countries .4)

关于电脑危害I think everything is advantage and disadvantage.many people especially young people play game every day especially night.it impacts their studying.for example,I have a neighbour.during the middle school ,due to study hard,so his academic record is very good,and he went into a high school.but during the high school,he play games every day.so,they didnt go into the ideal university.5)不遵守交通规则 , 导致交通事故In recently

years,more and more people can buy private cars.At the same time,there are more and more accidents every day.I think there are at least six reasons .first,although more and more people obey traffic regulation,but when they are very tireds or after they have a alcohol,they still drive.second.they dont obey traffic regulation.third,some drivers are driving when they using cell phone ,whichs leads to tarific accident.fourth,when some people cross the road,they dont look around carefully.fifth,some new drivers dont have enough experience,they cant react quickly enough in an emergency.sixth,some cars are not properly maintained,so that in an emergency the brakes will fail.B:We should take some measures for

preventing traffic regulation.for example,we can educate people and tell them how important obeying traffic regulation is to us.our government should make some laws.if anyone violate traffic regulation,they should be punished severely.6)关于看电视

视A:Nowadays,we can see many people are watching tv together.Tv

is a part of our lives. There are some advantages through watching tv. we can relax throughout watching tv series or cartoon series. and it is the cheapest way to get relaxation. we can learn about some latest news such as politics news sports news and entertainment news. we can also know about some custom and some culture from other countries. you just stay at home, you can know about all information. of course, there are some disadvantage .for example, it is harmful to our eyes, and some tv series involve in some violence, it is very bad to our children. B: I agree with you. I have a brother, when he was at middle school, his academic record is very good, so , he went into a ideal high school. but during the high school, he watch tv every day. he dont fall sleep until 11pm for watching tv series. and the last, he dont go into the ideal university. he is very sad. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
