: weather and climatePARTA PARTB PARTC1)天气总体概述
the seasons are very distinct.2)夏天好 there are many fresh fruits in summer,such as strawberry.I love fresh fruit very much.I can swim every day.I am a keen swimmer.夏天不好 It is too hot.my skin is easy to get dark in summer.I have to stay at home,and turn on the air-conditioner and have a ice drink.3)冬天好 everything covers white blanket.I can play snow,for example I can make a snowman.冬天不好 It is too cold.I have to stay at home and turn on the air-conditioner and have a hot drink.winter is very easy to have a bad cold.4)春天好 In spring,it is very warm and comfortable.you can see many flower blooming and many trees budding,and many leaves turning green.everything is full of life.5)秋天好 the temperature is very good,and you can see many leaves turning yellow or red.everything is very beautiful.it is not very cold and not very hot.秋天不好 there are many trees falling and many flower fading.It is full of sadness反驳 autumn is a season for harvest.everything will be alive again next spring.that is a natural law.二 : placePARTA PARTB PARTC1)不喜欢住在城市 there are more skyscripers and more people in the city.everything go fast.and air pollution is very severe.it is very bad for our health to live in a such kind of city.喜欢住在城市 it is very convenient to go shopping .and you can get latest news in the city.we have modern transportation and we have many modern

facility, such as a great museum, a great cinema, and a great park, and a great airport. 2) 不喜欢住在郊区 in the countryside, although everything is very quiet, and scenery is very beautiful, and air is very fresh. but if you were sick, you will not get proper treatment, you have to come back to big city for treatment 喜欢住在郊区 because everything is very quiet, you can concentrate on doing everything if you want to do. it is very good for your health. you can breathe fresh air and see a beautiful scenery. 3) 度假住在海滨城市 I like living in seaside, because there are many modern facilities. and it is still quite. you can also breathe fresh air. and you can also see beautiful scenery, because you are beside the sea. 4) 对于名胜古迹的描述 there are many historical places in China, such as forbidden cities, summer places, and Qin Shi Wang tomb. they describe China's custom and culture. through knowing about history, we can know much about China's custom. 对于特定名胜古迹描述比如说故宫 The forbidden city was built in Ming Dynasty in the 14th century. after it was built, it served as Ming and Qing emperor for 500 years. nowadays it can be visited by tourists, it only opens a small part. 对于特定名胜古迹描述比如说长城 A: the picture shows a great wall. as we all know, the great wall was built by Qin Shi Wang. there are at least one reason to explain why Qin Shi Wang wanted to build the great wall. that time, many people wanted to invade China, Qin Shi Wang had to build the great wall to prevent their invasion. I think Qin Shi Wang's decision accelerated his dynasty's destruction. I have two reasons to support my opinion. firstly, for building a great wall, he employed more than 100,000 people, and it took at least 10 years to complete it. people is very angry, because

those employee dont receive any money.secondly,for building the great wall,country spend a large of money,and lead to country financial problem.and once country have no money,he order many people must donate their all property,so a large amount of people were dead because they have no moeny to buy some foods.B:I agree with you,but after all qinshiwang built the great wall.and in 1987,UN proclaimed the great wall is a world heritage.thanks to a great wall,we can get world peoples respect.in china,there is a saying,"if you dont go to the great wall.you arent a true man.小贴士：如果对方滔滔不绝说下去，你可以用下列句子打断对方that is a good idea,but... 100Test 下载频道开通，各类考试题目直接下载。详细请访问 www.100test.com
