my first job , I realized I had to be creative in listing my few qualifications. Asked about additional schooling and training , I answered truthfully that I had spent three years in computer programming classes. I got the job.I had neglected to mention that I took the same course for three years before I passed.第一次求职时，我意识到在列举我所具备的为数不多的条件时，得有点创造性。当问及我是否受过其它的培训时，我老实地回答说我只花了三年时间学计算机程序设计课。我得到了那份工作。我没有提到那门功课我重复学了三年才考及格。100Test 下载频道开通，各类考试题目直接下载。详细请访问
