The evenings are warm and calm, and the heavens seem so close that you can touch the stars. Sometimes I try to recognize as I can. Because the air in the village is less polluted by the smoke and street lights than in the city, I can see the stars distinctly. Occasionally I will see falling stars draw bright lines in the sky. There is harmony between the moon and stars in the quiet sky and the slow pace of the village. I really enjoy the peaceful summer evenings in the village. 100Test 下载频道开通，各类考试题目直接下载。详细请访问 [www.100test.com](http://www.100test.com)
